**OR counts include presumptive and confirmed cases*

[1] A presumptive case is an individual without a positive diagnostic test who present COVID-19-like symptoms and had close contact with a confirmed case.

[2] The total recovered counts are updated weekly and Oregon's counts come from the Oregon Health Authority (OHA) and Jackson County's by Jackson County Public Health. The total negative counts for both Oregon and Jackson County come from the OHA as of 8 am today. For the remaining counts, Oregon reports their counts as of 8 am and Jackson County reports their counts as of 9 am.

Emerging Conditions and News

- **Jackson County Press Release Issued. Jackson County Public Health has no new COVID-19 cases to report.** This is the eleventh consecutive day with no new cases. The last reported case in Jackson County was on April 24, 2020. The total number of cases remains at 49 for Jackson County.
- **Jackson County COVID-19 Update.** Jackson County Board of Commissioners will hold a special meeting on Friday, May 8, 2020 at 10:00 a.m. via videoconference.
- **Jackson County non-congregate sheltering.** Jackson County Emergency Manager is working on Jackson County's non-congregate sheltering extension request for submission to State and FEMA for approval.
- **Limited Opening of Recreational Areas.** Governor Kate Brown announced today the limited opening of some state parks, outdoor recreation facilities, and areas across Oregon for day use effective today, May 5, 2020, with camping opportunities becoming available as federal, state, local, and private providers are able to prepare their facilities for visitors. Ski resorts will also be able to resume activities under a new executive order that will be forthcoming. Information on Jackson County Parks phased reopening plan can be found online.
