COUNCIL COMMENTS

Mayor Richardson noted there hasn't been any meeting of the Rogue Valley Council of Governments since June. She reminded everyone music in the park is this Saturday from 3:00 to 6:00 p.m., there will also be the anniversary celebration of Shady Cove. Mayor Richardson mentioned the open forum which will be held at the Upper Rogue Community Center on September 10th from 6:00 to 8:00 p.m. regarding the community and the school. She thanked everyone for coming to the meeting.

Councilor Mitchell noted that the coming Tuesday there is going to be a meeting of the Rogue Valley Area Commission on Transportation that he and Councilor McGregor will be attending. He mentioned a house 135 Heather Lane that is in a constant state of repair that is affecting the sale of the house that is across the street.

Councilor McGregor noted that he has two issues that he is working on for the City of Shady Cove, firstly getting a Fire Marshall to inspect new or remodeled businesses and secondly property address signs for people floating the river would know where they are on the river.

Councilor Honenstein gave a brief update of the Planning Commission meeting. He commented on the outcome of the vote of the Upper Rogue Community Center and that the City dodged a bullet and hopes that we will get it right. The community now has the opportunity to begin the process of healing and determine what is best for all of the individuals involved in the Upper Rogue Community Center.

Councilor Tarvin noted that she was sad to see that the information that was requested to be put in the Insider newsletter or the radio station.
