ADMINISTRATIVE ORDER
August 6, 2020
By the Mayor of the City of Shady Cove

Declaring a State of Emergency

The Mayor of the City of Shady Cove finds that:

- a. On March 8, 2020 Governor Kate Brown declared a State of Emergency due to the COVID-19 (Executive Order No. 20-03). Governor Brown also issued guidelines regarding group gatherings and social distancing to alleviate possible impacts of COVID-19 (Executive Order No. 20-5). On March 13, 2020 President Donald Trump declared a National Emergency concerning COVID-19.
- b. COVID-19 requires a significant amount of resources at the local level to keep the public and community informed and as safe as possible.
- c. The unknown duration of the COVID-19 may have a significant financial impact on the community.
- d. The primary focus at the City is to keep the community safe while maintaining the health of our workforce so the City can continue to provide crucial City services, and to alleviate impacts to residents and business owners within the City of Shady Cove.
- e. Pursuant to ORS 401.309(1), the governing body of a City may declare, by ordinance or resolution, that a state of emergency exists within the City.
- f. Pursuant to the City of Shady Cove Emergency Operations Plan adopted by the City Council of Shady Cove in May of 2012, section 3.2.1.1, confirms that power of the Mayor.
- g. Pursuant to the first Declaration of Emergency, and as the Governor has not changed the State's Declaration of Emergency as of yet.

Now, therefore, based on the above findings, the Mayor of the City of Shady Cove declares an emergency and an extension of the current Declaration.

1. This Declaration of Emergency is effective immediately and shall remain in effect until August 20, 2020 but may be extended in two-week increments.
2. To protect the health and safety of City employees, I have and will direct the City Administrator to develop emergency policies and guidance on the use of sick leave, vacation leave, telecommuting, meeting protocol, identification of essential and non-essential staff for ongoing presence at City facilities, and other policies that will be in effect for the duration of the emergency.

3. To protect the health and safety of City employees, I have and will direct the City Administrator, at his discretion, to determine whether closing certain City facilities and cancelling public meetings may be necessary.
4. The City will take all necessary steps authorized by law to coordinate the response and recover of this emergency, including but not limited to, requesting assistance from the State of Oregon and Jackson County.
5. To protect the health and safety of City employees, elected officials and the public, and reduce the number public meetings, the City Council shall consider the ratification of the Declaration of a State of Emergency at its next Council meeting on August 6, 2020 rather than via a separate emergency meeting.
