**City of Shady Cove
Type III Staff Report
Development Review**

Date: May 4, 2023
Applicant: Roberta "Birdy" Martin
Address: 7677 Rogue River Drive
Description of Property: 34-1W-15BC Tax Lot 3100
Planning Application: DR 23-01
Zoning: Low Density Residential R-1-6

Planning Commission Public Hearing Date: May 11, 2023

1.0 PROPOSAL

To place a new manufactured home on a residential lot.

2.0 AUTHORITY

Per the Shady Cove Code of Ordinances § 154.311, a Development Review is a "ministerial" or non-discretionary review, conducted by city staff, without a public hearing. Development review is based on clear and objective standards.

Development Reviews are typically conducted as a Type I (ministerial) procedure, described in § 154.377. In this case, it will be conducted as a Type III (quasi-judicial) procedure. The City Administrator has the authority to elevate any Type I decision to become a Type III decision, to be reviewed and approved by the Planning Commission instead, as given in § 154.377 (E).

3.0 PROCEDURE and TIMELINE

- 3.1 **Submittal:** The applicant submitted their application on April 7, 2023, and it was deemed complete by city staff on April 14, 2023.
- 3.2 **Notice:** Adhering to § 154.379, on April 18, 2023, the property owners, neighbors within 200 feet, relevant agencies, and other interested stakeholders were mailed notice of this application and public hearing.
- 3.3 **Hearing:** The public hearing will be held on May 11, 2023, which is at least twenty (20) days after the mailed notice, as required by § 154.379 (C)(1)(a).
- 3.4 **Appeal:** A Type III decision is made by the Planning Commission, and therefore may be appealed to the City Council, no later than 10 calendar days after the decision has been made. Appeals shall be processed according to §154.455 through §154.462.

4.0 PROPERTY CHARACTERISTICS

- 4.1 **Access:** At this time and during the project, only from Rogue River Drive. At project completion, only from Oak Ridge Drive.
- 4.2 **Zoning:** Low density residential (R-1-6)
- 4.3 **Size:** 0.55 acres, about 23,950 square feet
- 4.4 **Current Land Use:** Partially developed/vacant
- 4.5 **Neighboring Land Uses:** Undeveloped steep slopes, residential lots, Upper Rogue Regional Park, overflow parking lot

5.0 CONTEXT FINDINGS

This property had a dwelling on it at one point, that was demolished later. Therefore, the system development charges were already paid for this lot, and this application is exempt from the SDCs due to the City.

6.0 CRITERIA FOR APPROVAL

Per § 154.312, the following standards shall be met:

- 6.1 *The proposed land use is permitted by the underlying land use district;*

Staff Response: Satisfied

Single-family "manufactured" or "factory-built" homes (which are built to HUD Code) are permitted in the R-1 district, per § 154.036.

- 6.2 *The land use, building/yard setback, lot area, lot dimension, density, lot coverage, building height and other applicable standards of the underlying land use district and any subdistrict(s) are met;*

Staff Response: Satisfied

All standards are met.

Manufactured homes are subject to additional standards. Criterion 6.5 addresses these.

- 6.3 *All applicable Building and Fire Code standards are met;*

Staff Response: Satisfied

The home to be placed is a Sandeointe Model No. 28403A, produced by Cavco, and sold by Fleetwood Homes of Woodburn, Oregon. These homes meet the federal code requirements set by the U.S. Department of Housing and Urban Development (HUD).

Final inspections and approval to be given by Jackson County Development Services.

- 6.4 *The approval shall lapse, and a new application shall be required, if a building permit has not been issued within one year of site review approval or if development of the site is in violation of the approved plan or other applicable codes;*

Staff Response: Not Applicable

Manufactured homes in residential zones are subject to additional standards, which are listed in § 154.218 of the Code of Ordinances.

6.5 *Manufactured homes are permitted on individual lots, subject to all of the following design standards, consistent with O.R.S. 197.307(5). Exception: The following standards do not apply to units which existed within the city prior to the effective date of this chapter.*

6.5.1 Floor plan. *The manufactured home shall be multi-sectional and have an enclosed floor area of not less than 1,000 square feet.*

6.5.2 Roof. *The manufactured home shall have a pitched roof with a slope not less than three feet in height for each 12 feet in width (14 degrees).*

6.5.3 Residential building materials. *The manufactured home shall have exterior siding and roofing which in color, material and appearance are similar or superior to the exterior siding and roof material used on nearby residences (e.g., horizontal wood or wood-appearance siding is considered "superior" to metal siding and roofing).*

6.5.4 Garages and carports. *The manufactured home shall have a garage or carport constructed of like materials when nearby residences have carports or garages. The city may require an attached or detached garage where that would be consistent with the predominant construction of immediately surrounding residences.*

6.5.5 Thermal envelope. *The manufactured home shall be certified by the manufacturer to meet the thermal envelope requirements equivalent to those for a single-family dwelling constructed under the State Building Code. Evidence demonstrating that the manufactured home meets "Super Good Cents" energy efficiency standards is deemed to satisfy the exterior thermal envelope certification requirement. Additional manufacturer's certification shall not be required.*

6.5.6 Placement. *The manufactured home shall be placed on an excavated and back-filled foundation and enclosed at the perimeter such that the manufactured home is located not more than 16 inches above grade, and complying with the minimum set-up standards of the adopted State Administrative Rules for Manufactured Dwellings, Chapter 918. Where the building site has a sloped grade, no more*

than 16 inches of the enclosing material shall be exposed on the uphill side of the home.

6.5.7 Foundation skirt. *Manufactured homes foundations shall be fully skirted.*

6.5.8 Prohibited. *The manufactured home shall not be located in a designated historic district.*

Staff Response: Satisfied

All of these standards are met, or can be met during development, or are not applicable.

Regarding the standards for residential building materials and garages/carports, it is the interpretation of staff that these standards do not apply, as there no other residences “nearby”, that is, on abutting lots. The closest homes are up the hill and visibly screened by trees.

Regarding the thermal envelope standards, the “Super Good Cents” standards referenced in the code were created by Bonneville Power Administration for homes in a Pacific Northwest climate, and were used in the 90s, but are rarely used today. The applicant submitted the quote for the specifications of her home, which included an Energy Star package for insulation, electric water heater, thermostat, and gaskets/seals. Staff research found that Energy Star standards are generally considered more up-to-date, appropriate for more regions, and are similar or superior to Super Good Cents standards.

7.0 TESTIMONY

Three comments have been received by the time of this staff report. One is from Roberta Martin, the applicant herself, reiterating that she has followed all local ordinances and regulations in this process. Another is from the applicant’s brother Dennis Martin, supporting the proposal and expressing disappointment in some of the neighbors’ behavior.

The other is from Tim Casey, at 217 White Oak Way. He is against the proposal for reasons of property values, aesthetics, and perception, but his comment does not make an argument towards any particular criteria of approval.

8.0 CONCLUSION

Staff recommends that the Planning Commission **approve with conditions.**

9.0 CONDITIONS OF APPROVAL

1. The applicant will apply for an encroachment permit for any work done in the public right-of-way.
 - a. Rogue River Drive is a county road. Applicant will need a separate permit from Jackson County.
2. The applicant will apply for an access permit for the driveway on Oak Ridge Drive.
3. The applicant will install the sidewalks, curbs, and gutters to the end of her property, such that they meet current standards in SCCO § 95.61 "Transportation Standards".
4. By the end of the project, vehicle access will be from the driveway on Oak Ridge Drive only, and the access from Rogue River Drive will be closed, in accordance with SCCO § 95.31 "Vehicular Access and Circulation".
 - a. Applicant will need to contact Jackson County Roads to confirm the closure.

Respectfully submitted on May 4, 2023,

Rowan Fairfield, Contract City Planner

NOTIFICATION OF ADJACENT PROPERTY USE PROPOSAL

DESCRIPTION OF PROPERTY: 34-1W-15BC, Tax Lot 3100, located at 7677 Rogue River Dr.

PROPOSED CHANGE: Development Review application to place a new manufactured home

ZONING: Low Density Residential (R-1-6)

PLANNING FILE #: DR 23-01

DATE AND TIME OF MEETING: Thursday, May 11, 2023 at 6:00 p.m.

LOCATION: Shady Cove City Hall Council Chamber, 22451 Highway 62 or via Zoom

RESPONSE DATE: May 3, 2023 OWNER/APPLICANT: Roberta Martin/Norma Smith

The applicable criteria and standards to be considered at the public hearing are found in the Shady Cove Code of Ordinances §§ Development Review Approval Criteria 154.312; Home Construction Standards for Manufactured Homes in Residential Zones 154.218; and Procedures 154.379.

A copy of the application, all documents and evidence submitted by or for the applicant, and the applicable criteria and standards can be reviewed at City Hall at no cost, and copies will be provided at a reasonable cost. Staff report will be available for public review 7 days prior to the hearing at 22451 Highway 62, Shady Cove during regular office hours (Monday-Friday 8:00am - 5:00pm). Public attendance is welcome. For more information please contact the Planning Department at City Hall, (541) 878-8204. The public is invited to attend or via zoom and comment at this public hearing.

Failure to raise an issue at a hearing, in person or in writing, accompanied by statements or evidence sufficient to afford the decision maker and the applicant an opportunity to respond to the issue, shall preclude appeal to the Oregon State Land Use Board of Appeals based on that issue. All testimony and evidence must be directed towards specific criteria.

"Notice to mortgagee, lien holder, vendor, or seller: The Shady Cove Zoning Ordinance requires that if you receive this notice it shall be promptly forwarded to the purchaser."

Installing a manufactured home will have adverse effects on the surrounding community for a variety of reasons:

1. Property values: the surrounding community is typically known for their high property values. Installing a manufactured home is outside of HOA ordinances, and could potentially lower other property values of surrounding homes.
2. Aesthetics: A manufactured home has a different appearance and style than the traditional homes in the surrounding HOA neighborhood and because of its location would appear out of place.
3. Perception: Properties on Oak Ridge are governed under HOA standards, where manufactured homes are not allowed. A manufactured home wouldn't seamlessly fit into this HOA neighborhood. The Joint Center of Housing Studies recommends manufactured homes should be clustered so as to not create unattractive neighborhoods. To minimize the impact on the full community, site development should consider: egress and regress, set-backs, rights-of-way, easements, curbing, sidewalks, parking and storage of vehicles, RVs, boats, trailers, etc. *and the architectural standards of the surrounding community.* ("Eradicating Substandard Manufactured Homes: Replacement Programs as a Strategy," page 8, Matthew Furman, 2014 Harvard University).

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the Planning Department at (541) 878-2225. Notification 72 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to the meeting (28 CFR 35.102-35.104 ADA Title II).

build a manufactured home. I'm dissappointed in the citizens of the White ~~Ridge~~ Oak Ridge Home Owners Association for bullying her, even though this HOA has no jurisdiction on her lot. She has followed all procedured through the city & the county for her building permit. There is absolutely nothing in the zoning or regulations to stop her from being approved to move forward.

Mayor
Jon Ball

Councilors
Kathy Nuckles
Paige Winfrey
Jim Hubbard
Steve Mitchell

NOTICE OF PUBLIC HEARING

The City of Shady Cove Planning Commission will hold a second Public Hearing at 6:00 p.m. on Thursday, June 8, 2023, at the Shady Cove City Hall Council Chamber, 22451 Highway 62, Shady Cove, Oregon or via Zoom for the following purpose:

To continue to consider an application for a **Development Review** to place a new manufactured home on a parcel located at **7677 Rogue River Dr, Shady Cove, Oregon**. Said parcel is legally described as 34-1W-15BC Tax Lot 3100 and currently zoned Low Density Residential (R-1-6).

Owner/Applicant: Roberta Martin/Norma Smith File Number: DR 23-01

Individuals may submit written comments relating to this planning action before the meeting or attend and comment in person at City Hall or via Zoom, although it is preferred that such comments be submitted to the City at least one week prior to the above scheduled hearing date so that they may be included in the agenda packet. Please mail comments to City of Shady Cove, PO Box 1210, Shady Cove, OR 97539.

The applicable criteria and standards to be considered at the public hearing are found in the Shady Cove Code of Ordinance §§ Development Review Approval Criteria 154.312; Home Construction Standards for Manufactured Homes in Residential Zones 154.218; and Procedures 154.379.

A copy of the application, all documents and evidence submitted by or for the applicant, and the applicable criteria and standards can be reviewed at City Hall or copies will be provided at a reasonable cost. The staff report will be available for public review seven days before the public hearing at 22451 Highway 62, Shady Cove during regular office hours. Additional information is available by contacting the Planning Department at 541-878-8204
