

AMENDMENT TO EMPLOYMENT AGREEMENT

WHEREAS, Thomas Corrigan announced his intention to retire as of 1/31/2024;

WHEREAS, the City has not yet hired a replacement for Corrigan;

WHEREAS, Corrigan has agreed to remain with the City until the earlier of June 30, 2024 or until the City hires a replacement for Corrigan.

NOW, THEREFORE, the parties agree as follows:

1. Corrigan's employment contract ("Contract") is still in effect through August 31, 2024;
2. The City is actively recruiting for a new city administrator to replace Corrigan due to his pending retirement;
3. If the City hires a new city administrator to replace Corrigan prior to June 30, 2024, the City can terminate Corrigan's contract with 30 days' written notice. Such notice shall not be a termination but is for the purpose of facilitating the new city administrator beginning work in the City. As such, Corrigan shall not be entitled to severance.
4. In the event the City terminates Corrigan's contract for any reason other than due to hiring Corrigan's replacement, the termination provisions in the Contract shall apply.
5. In consideration of Corrigan delaying retirement, the City shall pay Corrigan the sum of \$7,500.00 in addition to Corrigan's compensation otherwise due under the Contract. Such payment shall be made within 30 days of execution of this amendment.
6. All other terms in the Contract shall remain in force, except as herein modified.
