

**ROGUE VALLEY SEWER SERVICES  
JACKSON COUNTY, OREGON**

**RESOLUTION NO. 24-10**

**SCHEDULES FOR SANITARY SEWER AND STORMWATER CHARGES**

---

WHEREAS, Rogue Valley Sewer Services provides sanitary and stormwater services to a variety of customer classes;

And, WHEREAS, Rogue Valley Sewer Services has defined the various customer classes in its municipal code;

And, WHEREAS, Rogue Valley Sewer Services believes that each customer should pay an equitable share of the cost of providing this service;

NOW, THEREFORE, BE IT HEREBY RESOLVED, that the following charges shall be applied to all customers of Rogue Valley Sewer Services beginning July 1, 2024.

**Schedule A: Residential.**

1. Sewer Charge per Dwelling Unit.

| School                               | \$48.13 plus \$0.37 per student and employee          |
| Service outside City limits:         | 1.5 times in city rate.                               |

All other areas:

\$16.91 per sewer account  
Plus \$1.72 per 1,000 gallons

3. Stormwater charge per 3,000 sq. ft. impervious surface area

- a. Phoenix, Talent \$2.50
- b. All Other SWQAs \$1.00

4. Storm Drainage Charge per acre

- a. White City Industrial Area defined in Chapter 5 of the RVSS Code
  - i. Primary Area - \$7.38 per acre or part thereof
  - ii. Secondary Area - \$2.00 per acre or part thereof
- b. All other areas – not applicable

5. Extra Strength Charge. Rate per 300 ppm of BOD or TSS, or fraction thereof, in excess of the first 300 ppm of BOD or TSS, per 1,000 gallons of water delivered to the premises. Determination of the amount of BOD or TSS shall be determined as set forth in RVSC Title 7.

Monthly charge \$0.42 per 1,000 gallons

6. FOG Surcharge

Minimum charge for food service establishments that do not have a properly functioning grease interceptor:

- \$50 per month for the first month
- \$150 per month for the second month.
- \$250 per month for the third month

FOG Surcharge will increase by \$100 per month up to a maximum of \$1,000.

**Schedule E: Recreational Vehicle Waste-Dumping Station.** Monthly charge per each dumping facility in addition to other sewer charges as may be applicable in the above schedules for commercial or industrial sewer service to the location.

|                  |                      |
|------------------|----------------------|
| Shady Cove       | \$96.26 per station  |
| Gold Hill        | \$150.25 per station |
| All other areas: | \$54.00 per station  |

**Schedule F: Community Sewage Disposal System:**

1. Sycamore Properties, rate to be applied to each dwelling:

|                    |         |
|--------------------|---------|
| System Repair Fund | \$5.00  |
| Other Costs        | \$15.00 |
| Total Per Month    | \$20.00 |

2. Homeowners' association rate to be applied to each dwelling at the option of the manager if not paid by the association. The monthly fee is the estimated operation and maintenance costs plus reserve divided by the number of developed properties plus the appropriate Rate Schedule A through E, or G through H.

**Schedule G: Metered Customers.** Meter reading charges shall be as follows:

1. A charge of \$10.00 per meter per visit for those that may be read from the ground surface.

This fee will be reevaluated after 100 such meters RVS-wide and/or 20 meters within a one-half mile radius are installed.

2. A charge of \$50.00 per meter per visit for those that require entrance into a below-the-ground manhole or other enclosed space.
3. Residential meters shall be read twice per year and industrial meters four times per year unless the manager determines that a different frequency is in the best interest of RVSS. Until 12 months of flow can be measured, an advanced payment equal to 80 percent of current annual rates must be deposited with RVSS, plus above costs.
4. Recalibration of the meter must be completed every five years. The owner shall pay the full actual cost plus \$50.00 to RVSS.

The per-month user fee will be based on the total flow recorded, divided by the total number of months between readings.

**Schedule H. Hardship Connections.** A total of the following, an amount equal to one-twelfth of the annual fees and charges not paid, is added to the appropriate residential rate schedule above.

**Schedule I. Special Functions.** One-time, short-duration events shall dump waste as determined by staff and shall pay based on \$0.15 per gallon for water allowed in RVSS collection system, plus all costs.

**Schedule J. Hauled Waste.** Hauled waste delivered to the White City Lagoon or Shady Cove Treatment Plant shall be charged \$0.15 per gallon of waste delivered.

**Franchise Fees.** Customers within the city limits of Phoenix, Central Point, and Gold Hill will be charged an additional 5% of sanitary sewer fees. Customers within Eagle Point and Shady Cove will be charged an additional 7% of sanitary sewer fees.
