

City of Shady Cove  
RESOLUTION 24-07

RECITALS:

- A. Hiland Water provides potable water to a substantial portion of Shady Cove.
- B. Hiland Water experienced a pump failure, leading to water shortages, boil water advisories, and leaving many residents without access to clean water.
- C. The foregoing circumstances affect the entire city limits of the City of Shady Cove.
- D. The foregoing circumstances are ongoing and expected to persist indefinitely.

NOW, THEREFORE, The City of Shady Cove resolves as follows:

Section 1. It is declared that a state of emergency now exists in the City of Shady Cove, encompassing all of the area within the City limits.

Section 2. The Mayor (or in the event the mayor is unable or unavailable, the person in the succession of authority enumerated in Shady Cove Municipal Code Section 33.03) is hereby authorized to take such actions as set forth in Shady Cove Municipal Code Section 33.04.

Section 3. Emergency procurement of goods and services is authorized as provided by law.

Section 4. The Mayor shall terminate the state of emergency by proclamation when the emergency no longer exists.

Passed by the Council and signed by me in authentication of its passage this 5th day of September, 2024.
