QUALIFICATIONS			
I believe that I am qualified for and should be considered for the above position(s) for the following reasons <i>(continue on next sheet if necessary)</i> :			
As a member of Shady Cove Matters political action committee, I've reviewed the City's budgets and audits since 2019 extensively. I've also recently taken the LOC's local budget training for elected officials -- the same training that most Council members attended.			
I have a degree in Computer Science and Math, and I've been an analyst for 25 years.			
I have participated in enterprise IT project planning, resourcing and budgeting for many years. I am able to understand a complex spreadsheet rollout and budget calculations.			
I'm familiar with large-scale enterprise electric utilities, and believe I would have no trouble understanding the concepts of Caselle budgeting.
